Transnational Gangs: Crime Trends Infiltrating America

Date: March 18, 2024 Time: 0800-1700

COURSE DESCRIPTION:

The significant increase of Transnational Criminal Organizations (TCOs) and associated gang members migrating into the United States has created a paradigm shift in criminal trends. These crimes include human trafficking, weapons trafficking, kidnapping, home invasions, robberies, corruption, and organized retail crime. TCOs present a substantial threat to the public safety and our communities. One of the multiple TCOs examined will be “El Tren De Aragua” from Venezuela.

A never before seen **special guest speaker** who is a former prison gang “shotcaller” will provide a unique insight into Transnational Criminal Organization inside of a custodial setting and how they operate within criminal hierarchy.
